

# Join EEAI and ISTA: Save \$10!

Thanks to a collaborative agreement with the Illinois Science Teachers Association (ISTA), EEAI members can now join or renew their membership and join ISTA at a discounted rate!

The mission of the Illinois Science Teachers Association is to promote excellence in science teaching and learning throughout Illinois. The strategic plan of ISTA focuses on actively emphasizing its advocacy for stronger science education at the state, regional, county, district and building levels; recruiting, retaining, and nurturing our membership; expanding its capabilities to broker high quality, research-based, short-and longer-term professional opportunities that will expand both the science content and pedagogical content knowledge of our membership; and creating and sustaining collaborative partnerships with diverse groups who share our mission. ISTA members receive the publication SPECTRUM and other benefits listed at [www.ista-il.org](http://www.ista-il.org) and conducts an annual fall conference. ISTA is a chapter of the National Science Teachers Association and is a 501C(3) corporation.
